

Available Prison Dogs:

These dogs are available through the Animal Welfare League. They have been neutered or spayed and have all their vaccinations. They are presently at the Prison getting 8 weeks of training. **Please call the AWL at 330-539-5300 for adoption information.** The adoption cost is \$200.00. This is a great deal!!! Vet care alone costs \$300.00, not to mention 8 weeks of training.

These dogs come out May 2, 2017; then the next group goes in...

I still need a home!!
